Dear Dr. Bollen:

I am pleased to inform you that the Office of Laboratory Animal Welfare (OLAW) reviewed and approved your institution's Animal Welfare Assurance F16-00203 (A5846-01). The Assurance is the key document in defining your relationship with the Public Health Service (PHS). It sets forth the responsibilities and procedures of your institution regarding the care and use of laboratory animals.

Your Assurance, identification number **F16-00203 (A5846-01)**, became effective on **September 27, 2022** and will expire on **September 30, 2027**. Please include the Assurance number on all correspondence to OLAW. A copy of the signed Assurance document will be sent in a separate email. The signature page provides verification of approval by OLAW and includes the period during which your institution's Assurance is effective.

Thank you for your cooperation in submitting an Assurance in compliance with the PHS Policy on Humane Care and Use of Laboratory Animals, revised in August 2015.

If I may be of any further assistance, please do not hesitate to contact me.

Sincerely,

Nicole L.
