

SEMINAR:

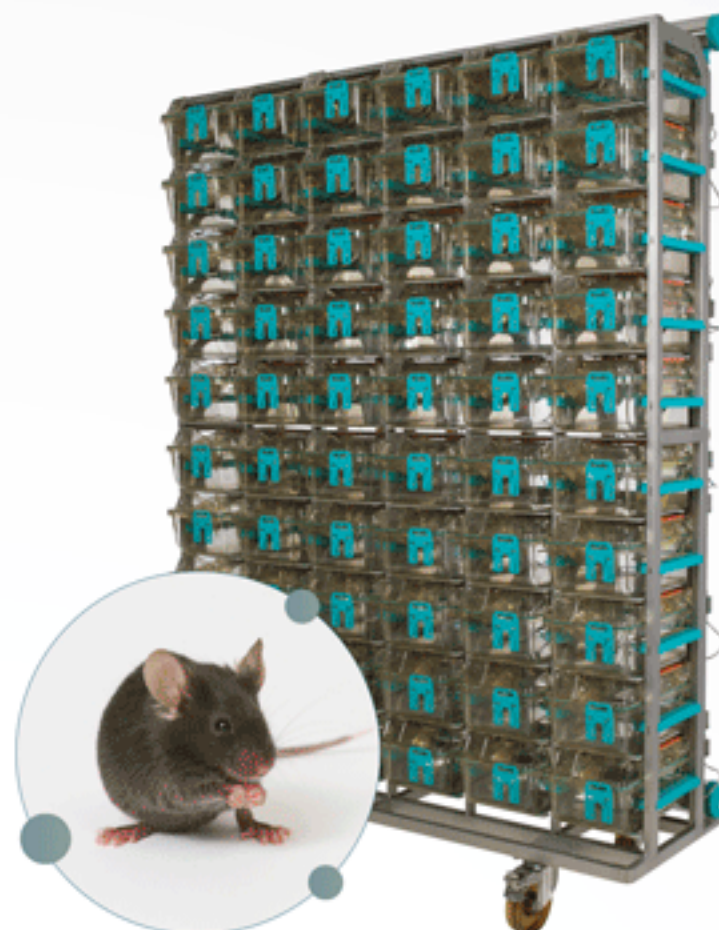

THE FUTURE OF VIVARIUM MANAGEMENT

Make sure to save your seat at our upcoming joint University of Copenhagen/ Tecniplast/SCANBUR seminar to learn more about how you can digitalize your vivarium with DVC® Digital Ventilated Cage.

Departments AEM and CBMR will share their experiences with DVC®, and we will treat you to interesting scientific talks and sessions.

Join us for a day of knowledge sharing and networking, register today!

Best regards,
[Mona Slangerup](#)
Account Manager, SCANBUR
